Join us in our Nation's Capital

October 4-6, 2017

“The future depends on what you do today.” — [Mahatma Gandhi](#)

Join - the Peace Alliance National Department of Peacebuilding Committee and people from around the country in lobbying for the continuing shift to more governmental infrastructures based on peacebuilding technologies and successful practices,

Focus - on the Act to Establish a U.S. Department of Peacebuilding (H.R. 1111) and other timely legislation and peacebuilding and violence reduction initiatives,

Enjoy - connecting with new and experienced citizen lobbyists and your Members of Congress! We'll offer as much or as little support as you need every step of the way. Now is the time for every able-bodied/minded citizen to speak up for our democracy and the future of our culture and country!

We walk the halls of Congress to make peace and nonviolence a national priority. The time is now for a United States Department of Peacebuilding. If you can't join us in DC, please amplify our voices from home with phone calls or emails to key MOCs, including yours. More information after registering. Join us for 1, 2 or 3 days; 9:00 a.m. trainings 10/4 and 10/5.
