

The Peace Alliance

**To Elected Officials, Candidates and Citizens:
A Declaration for Common Understanding and Civil Dialogue**

I support and commit to engaging with my fellow citizens regarding the challenging issues facing our nation and the globe in a manner that reflects the highest aspirations of the First Amendment of the Constitution of the United States.

I will support and promote cooperation and civil dialogue at the local, state, and federal levels, and be open and appropriate in my public and private dialogue.

I will treat people of opposing views with respect and I will at all times and to the best of my ability listen deeply to differing opinions, and speak honestly, directly and with integrity.

I do support:
