

MAY-JUNE 2022 MOTHER'S DAY PIE CONGRESSIONAL MEETINGS

Schedule a Congressional Zoom Meeting for a DoP

Peace wants a piece of the federal budget pie! Given the global pandemic, wars in Ukraine and elsewhere, and continued violence at home, now—more than ever—we need a cabinet-level US Department of Peacebuilding. Peace is a human right. Human suffering is a national security issue. We can prevent and reduce violence.

If you would like to participate in (or help organize) Zoom meetings with Congressional offices, and if you would like to join an advocacy training call April 25, 2022 at 4:00 pm PT/7:00 pm ET, contact nancy@peacealliance.org. We need your help telling members of Congress to honor our mothers by preventing violence, giving peace a piece of the federal government pie, and cosponsoring the Department of Peacebuilding legislation (HR 1111).

By spending a tiny fraction of our federal budget on a DoP, violence prevention, and peacebuilding, we will vastly improve the quality of life for millions. Tell your member of Congress to help us all make history, save lives and money, and transform our society from one of violence to one of peace and prosperity.

HISTORY OF MOTHER'S DAY

In 1870, abolitionist and suffragette Julia Ward Howe wrote the "Mother's Day Proclamation," a call to action that asked mothers to unite in promoting world peace.
