

AMPLIFY THE CALL FOR A DEPARTMENT OF PEACEBUILDING

There is a bill in Congress to create a cabinet-level Department of Peacebuilding (DoP/ HR 1111). It addresses the interconnection of all life and the intersectionality of peace, justice, equality, human rights, governments based upon rule of law and planetary survival.

*It's time to make peacebuilding a national priority by proactively addressing the root causes of violence and implementing the root conditions of peace with proven and sustainable peacebuilding policies and practices. A DoP will save lives and money. It is our future. **Peace is possible if we work for it. Peace is possible if we build bridges.***

Throughout Peace Month in September 2022,

WORK to create a cabinet-level Department of Peacebuilding.

Each action takes only moments. You don't have to be an expert -- just speak from your heart.
