

**DC Advocacy Days 2023**  
**Join us in our Nation’s Capital**  
**May 7-10, 2023**  
**And Save the Dates for 9/17-19/23!**

**Peace is Possible; Let’s Build It!**

**Join** the **Peace Alliance National Department of Peacebuilding Committee**, shortly after the new bill is introduced in this 118th Session of Congress, to advocate for prior and new Members of Congress to become co-sponsors of the Act to Establish a U.S. Department of Peacebuilding (H.R. 1111). Peace is in the air in 2023! Let’s introduce ourselves to new MOCs and let our voices for sustainable peacebuilding be heard in the halls of Congress!

**“Peace depends on all of us.” Dennis Kucinich**

This is our first coordinated trip to DC since the pandemic. We are not charging a registration fee; two monthly donors agreed covering costs would be a joyful use of funds they have donated over the years. This is the first year we are planning two trips to DC and hope you can join us for one or both of them. You may also participate from home via Zoom (as permitted by individual Congressional offices).
