

DC Fall Advocacy Days 2023
September 17-20, 2023
And Special 4-hour NVC Training 8/5!

More Peace is Possible; Let's Keep Building It!

Join the **Peace Alliance National Department of Peacebuilding Committee** in Washington DC or via zoom to advocate for prior and new Members of Congress (MOCs) to sign on as co-sponsors of the Act to Establish a U.S. Department of Peacebuilding (H.R. 1111). Peace is in the air in 2023! Let's introduce this and other legislation to new MOCs and let our voices for sustainable peacebuilding be heard in the halls of Congress! We started the year off strong and are preparing to grow even stronger in the 118th Session of Congress.

Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it's the only thing that ever has. Margaret Mead.

We are not charging a registration fee. However, we need to know when and how you would like to participate. You may also participate from home via Zoom (as permitted by individual Congressional offices). All those participating--live via Zoom or in person or willing to make calls to amplify the voices of those attending meetings (more information forthcoming)--please [register here](#).
